To Riccardo LoFaro / PrimiDieci Society:

I am deeply honored to accept the appointment as "Official Patron" to the 2019 PrimiDieci event in Los Angeles.

As a proud first-generation Italian, whose parents immigrated to Los Angeles for new opportunities in the United States, it gives me great pleasure to promote Italians and Italian culture in North America.

I commend all the people behind the "PrimiDieci" initiative and am impressed with its successes in New York and London. Moreover, I am excited that starting in 2019, it will be held in Los Angeles alternating years celebrating the ten most extraordinary personalities in the US, including those of Italian background and non-Italian background alike.

I greatly appreciate the appointment to this esteemed event and look forward to representing the Italian-American community in Los Angeles.

Sincerely,

A handwritten signature in blue ink that reads "Joe Buscaino".
